We operate by the Roberts Rules of Order as to Parliamentary procedures. Don Ward stated about bylaws and how they need to change to run more smoothly. Ward further stated that there is trouble with a mail-in ballot. Betteanne Strauss said we should table with discussion. Donna Robbins said we should get together and form a committee. Marc Diltz stated his opinion on the bylaws. Don Ward said why not vote in December. Marc Diltz said we do things at the same time. Bonnie Rosenquist said that we know what bylaws are not working not the attorney. Why is it up to the attorney? Why have a mail in 2007 Budget? Betteanne Strauss said it's an operating Budget. Rudy Rosenquist said that the community can work with an attorney. Bob Nelson agrees with Rudy Rosenquist that we need an attorney that would look at the bylaws. Janet Secor said we shouldn't change the bylaws in a hurry but take our time. Don Ward said only change the bylaws where they are in need of change. Donna Robbins said that Don Ward cannot speak for the whole organization. Tom Strauss agreed, but leave it up to the discretion of the committee. We are getting ahead of ourselves since there is no committee as of yet.

Marc Diltz commented on Don Ward's statement, that we must divide the By-laws in sections and slow down. Hal Wheeler agrees to going slow to change issues, one at a time in the By-laws. Richard Orona question - do we form the committee first and have the committee talk with attorney or does the committee tell the Board what to do to form a committee to work together? Ben Secor question - are we talking about the By-laws or the Covenants. Answer - the covenants are being discussed. Ben Secor stated - They cannot be changed. Tom Strauss asked if the Board form the committee now. A loud "NO" from the membership. Bob Nelson made a motion to formerly move to form a committee and ask for letters of interest. Eve Meyer commented that the people here today at this meeting are the only ones to decide.

Shirley Wheeler commented that members who pay their dues should have a right to decide. Bob Nelson withdrew his motion. Tom Strauss asked if the Board could make a time line such as 72 hours to respond. Hal Wheeler said he wanted to remind everyone that this is a Board Meeting and not a Town Meeting. Donna Robbins made a new motion that the Board send out a mass e-mail and those individuals without e-mail address have a 10 day notice to reply to serve on this committee. Then the Board will have a special meeting to appoint this committee in conjunction with the attorney. Bob Nelson second. Motion passed.

Appointment of additional attorney

Marc Diltz stated that the Board is working on time sensitive material and the Board has encountered some situations where we needed a certain time that the attorney could respond to us. We are looking at attorneys for different expertise and availability as well as cost. We are dealing with all State, Local and CC&R

issues. Sometimes, there is a schedule conflict. Rudy Rosenquist asked did we contact our old attorney? Yes, Marc D Diltz stated we still have Jennifer Delaney. Marc Diltz said we won't use the same attorney for the same issue and that attorneys specialize. We are a corporation with many diverse issues. Marc Diltz made a motion that we hire a second attorney to compliment the first attorney and to help us with our legal counsel. Patty Salesses second. Motion passed.
